**First Looong Weekend of the School Year...**

**September already!**

**We blink our eyes and summer is over; at least that's how it seems sometimes.**

Autumn is hard on our heels and brings a multitude of activities of every kind. From leaf-peeping and pumpkin patches to football games, haunted happenings and fall festivals of every kind, there is so much to experience and enjoy.

**Lets make sure everyone can enjoy the last holiday weekend of the Summer by keeping in a mind a few basics:**

**⌚ Stop and Sign-In Always!** The clipboard is outside the office, 24/7.

**⌚ 5mph on ALL campground roads**

**⌚ Quiet Time extended 10:30pm-7AM in the campground.** If you have a loud generator running, please make sure it gets turned off on time. If you're having a party, please make sure things quiet down by 10PM.

**⌚ Campfires Only, NOT BONFIRES!**

Please keep your campfire at a reasonable size and make sure all leaves and other debris are cleared from around the campfire ring before starting the fire.

**NEVER** leave a campfire burning unattended.

**⌚ Don't ride down the Township Road.**

Please use trail crossings.

**⌚ If you see someone stopped** along the side of the trail, stop and make sure they're ok.

**⌚ Watch out for the KIDDIES!** Many families with small children will be camping and riding at RCTR this weekend. Be extra cautious and give these little ones plenty of leeway.

**⌚ Take your cell phone** with you when you ride. You may need it to call in an emergency. P.S. The office phone number is on your helmet sticker.

If you break down, get a flat tire, or even run out of gas and need a tow, the office is here to help; give us a call.

**⌚ Head back** at least 30 minutes before dark.

*Have fun everyone, enjoy your weekend!*

**Winter/Fall Office Hours Soon Begin**

# MUD RUN RIDE

Line up at the pavilion starting at 11am. Hot dogs and beverages will be on sale for a small donation to the local food bank. Prizes and will be given to a few lucky ducks.

The trail is designed to provide an easy way to explore and play in our local mud holes.

- ◇ Each mud area will be a winch yourself out only excursion. Wear your grungiest clothes as they may not go home with you.
- ◇ Leave your jewelry at home. We don't want to be searching for any precious gems in the muck...yuck!
- ◇ Do not dive head first off your quad or bike into the mud.
- ◇ Although, the most creative entrance is always memorable.
- ◇ Bring a big trash bag to save your car seats. \
- ◇ Even if you don't partake in the activities...we always like spectators with cameras!

Is your Helmet strapped?

Are you roaming the campground roads or even the trails without your helmet strapped? Be safe & please always make sure yours is!

# Have fun getting muddy!!
