

Memorial Day is always packed with family activities, and as usual barbecues, parades, and fireworks will be on everyone's agenda. But, just as the real meaning of Christmas goes far beyond presents and mistletoe, Memorial Day is more than an excuse to grill burgers and drink beer.

Lets' welcome Summer in with a bang and fly those American flags. But don't forget to take a few moments in your day to remember those who gave their lives for all of us. They deserve to be remembered and honored for their ultimate sacrifice to bring us freedom. Thank you to all who have served!!

This is one of the BUSIEST holidays of the year at the Trailriders, so please pay particular attention to the ***5 mph speed limit***.

- Take time to explain the meaning of Memorial Day to children or grandchildren.
- Proudly fly the American flag.
- Take your family to a Memorial Day parade in your community.
- Place a donation in an American Legion kettle and get a red poppy for your lapel or t-shirt.
- Stop by a local cemetery and place flags on the graves of fallen soldiers.

*It's going to be a LOOOONG weekend...*

Please NOTE: The next scheduled Group Ride is Saturday, June 7th.

This is one of the BUSIEST holidays of the year at the Trailriders, so please pay particular attention to the **5 mph speed limit**.

You probably know all the basics but we'll take a minute to remind you (and others) again:

- There will be an Operations official patrolling the campground throughout the night so feel free to flag them down.
- Sign your guests in as soon as possible EVEN if they are non-riders, they must sign in! The sign in sheet is outside of the office 24/7.
- No Fireworks of any kind on RC property.
- Don't forget to use the emergency line if there is an urgent situation...call 570.682.1075 and leave a message, someone will get back to you, soon after calling.
- Keep that helmet on and strapped during any riding activity.
- Don't ride on Township Road or through member's campsites.
- Be considerate of your camp neighbors.
- Take a drink along when you ride.

## Start with Yourself

*Author Unknown*

When I was young and free and my imagination had no limits, I dreamed of changing the world. As I grew older and wiser, I discovered the world would not change, so I shortened my sights somewhat and decided to change only my country. But, it too, seemed immovable. As I grew into my twilight years, in one last desperate attempt, I settled for changing only my family, those closest to me, but alas, they would have none of it.

And now as I lie on my deathbed, I suddenly realize: If I had only changed myself first, then by example I would have changed my family.

From their inspiration and encouragement, I would then have been able to better my country and, who knows, I may have even changed the world.
