The Looooong Weekend...

As the warmth of summer begins to fade, the age-old question returns: **Is September really fall?** While opinions vary, one thing's for sure—September brings a fresh energy. Cooler breezes, back-to-school routines, and fall sports signal a quiet shift. It's the perfect time to reset, reflect, and embrace change.

Campground Rules & Reminders

With Labor Day approaching and the campground buzzing, please take a moment to review these important guidelines to help keep RCTR safe, respectful, and fun for everyone:

Guest/Visitor Sign-In

Campsites expecting **10 or more guests** must email a guest list to: trailriders@rauschcreekracing.com

Unregistered guests will be asked to leave immediately.

Campground Speed Limit

5 MPH—no exceptions. *Violators will be parked.*

Minor Riders

- Riders **12 & under** must be supervised at all times.
- Unsupervised riding = parked for the weekend.
- Please avoid continuous laps in the campground—use the **kiddie track** for supervised riding.

Quiet Time

Extended hours: 10:30 PM – 7:00 AM Voices and music carry—keep it respectful day and night. *If it's not at a respectful level, it'll be at NO level.*

Helmet Rules

Helmets must be **worn and strapped** at all times:

- While loading/unloading
- Riding an atv or dirtbike in the campground
- Moving vehicles around campsites

Labor Day Crowds

Expect high traffic and activity. Use **extra caution**, especially during evening hours when commuting between campsites.

Let's keep this privilege from becoming a restriction.

A little courtesy goes a long way. Let's keep the campground clean, calm, and welcoming for everyone!

TIP OF THE DAY

Trail Safety: Ride What You Know, Walk What You Don't

Not every obstacle is meant to be conquered on the first try. If you're unsure about a section of trail, **stop, assess, and walk it first**. Knowing what's ahead can prevent breakdowns, injuries, or worse.

□ Scout steep climbs and rocky descents □ Watch for hidden ruts, loose terrain, or water crossings □ Never assume a trail is clear just because someone else made it through

Smart riders know: **confidence comes from preparation, not luck.**
