## CLOSED TO ALL RIDING SATURDAY!

Last no-ride days of the 2025 season, this Saturday, December 13th

\*Keep in mind, there's still NO riding before 9:00am, Monday through Saturday until January 19th.

**Icy Camp Roads**-icy conditions around the campground.

4-wheel drive is a must, and no trailers please. In fact, trailer-ING anything to camp should be the last thing on your mind for now (unless you're on lower camp roads)- we really don't want to be digging anyone out of a bad situation if you bring a trailer.

## NOT RENEWING YOUR CAMPsite JUST YET?

Just be aware that if you choose to renew your membership early but not your campsite, that's how it will show in the database. Then if you miss the "grace period," campsites not renewed as of February 28th will show in the database as "available" and may be subject to reservation by any member in good standing. **Applications can only be obtained online or at the office and must be in the office hands before taking payment! No favors or exceptions. And you must be renewed in some capacity to be on the property.**

## 2026 STICKERS HERE SOON

A brief backorder is holding up the new stickers for 2026 helmet credentials and vehicle sticker. No rush, stop in on your next visit. All red stickers will be considered invalid after December 31st.

The office will be:

**\*NO GUEST RIDERS PLEASE**

**\*ALL TRAILS ARE OPEN FOR MEMBERS ONLY TO RIDE**

\*HEADS UP::The office will be Open 9am-4pm New Years Eve & CLOSED New Years Day

**14 Days until Christmas!!**

### Facts OF THE DAY

The one consolation of the encroaching winter chill is that, finally, it's the time of year when you can stoke up a fire, but it's no fun if you're not fully equipped. Start with wood; dry hardwood such as hickory, ash, oak, maple, and birch are all good choices. If you see radial cracks along the cross section of a hardwood log, you'll know it's dry enough to use. Avoid burning softwoods like pine or spruce, as they tend to burn up too quickly, and be certain to store your wood in a cool, dry place. To get the blaze going, you'll also need kindling--small twigs & twisted newspaper are perfect. Some great aromatic items to throw on the flame could be pine cones and lavender.

### LOCAL TO DO'S

Every Friday afternoon & evening, Crossroads Farmer's Market is open on Route 25 between Gratz & Berrysburg.
