Saturday Group Ride — Join Us!

This Saturday we're heading out for a guided group ride, and everyone's invited. Meet at the pavilion at **10 AM**, gear up, and follow one of our resident trail guides for a fun, easygoing ride through the trails. It's a great chance to explore new trails, ride with fellow members, and shake the dust off after a long week.

If you've never joined one of our guided rides before, this is a perfect one to start with.

Photo of the Week

We love seeing your rides, campsites, and muddy-tire moments. Send your photos to the office for a chance to be featured in next newsletter.

Treasure Hunt Countdown

One of our most anticipated events of the year is almost here — the Treasure Hunt returns on June 20th!

This event is more than just a scavenger hunt. It's a chance for riders to get familiar with important landmarks throughout the property — the kind of knowledge that helps you navigate confidently, find new routes, and stay oriented if something unexpected happens on the trail.

You'll follow clues, track down key spots, and maybe even discover areas you've never explored before.

Meet at the pavilion at 10 AM to get started.

Prizes From Local Businesses

Every rider who completes the landmark list gets to choose a prize donated by one of our amazing local business partners. These businesses support our club year after year, and we're excited to showcase them again this season.

And yes — if you find *all* the landmarks, including the bonus, you'll be entered into the drawing for a **2027 membership**. Good luck... and keep your eyes open for Sasquatch.
