Upcoming Dual Sport Event

Dual Sport riding blends the best of both worlds — the freedom of the street and the grit of off-road adventure. These bikes are built to explore it all, letting riders jump from pavement to trail without missing a beat. This year's event on October 11th. If you've got a Dual Sport machine, this is the ride you don't want to miss.

Registration is open at rorr.org, so lock in your spot early.

The route kicks off at the North End Fire Department on Route 125 in Pine Grove and winds its way to RCTR — or as the riders like to call us, the “flat tire oasis.” Pre-entries get the full weekend experience: DJ entertainment Friday night, a solid breakfast and lunch on Sunday, and even a bike wash after the ride. It's the perfect mix of challenge, community, and good times.

Camp-O-Ween Trick or Treat Madness — October 17

Get ready for Trick or Treat at Camp — our biggest candy chaos of the year! Grab your costume, decorate your rig and prepare for full blown sugar overload. Swing by the office to pick up your list of participating campsites, then hit the campground for a self guided Halloween ride packed with treats, laughs, and very excited kids. Mild sugar coma is promised. And if you're feeling creative, jump into the **Campsite Decorating Contest** — the spookiest setup wins a FREE 2027 campsite. Bring the fright, bring the fun and maybe bring a backup bag for all that candy.

Coal Cracker Smacker Hard Enduro — October 25

The Coal Cracker Smacker Hard Enduro is here again this year. Where the dirt flies, engines roar and riders take on one of the toughest challenges of the season. Come out and watch the action unfold as competitors push through brutal terrain, steep climbs and technical sections that separate the brave from the really brave. Spectators welcome — bring your camera and your cheering voice.

Fall Foliage Ride @ Peak Color — October 24

Our final foliage ride of the season lands right at peak color, and we're crossing our fingers the weather cooperates. Join us for a scenic cruise through the trails as autumn shows off its brightest reds, oranges, and golds. Meet in front of the office at **12pm** and let's ride into November in style — surrounded by breathtaking views and good company.

Saturday, October 24

GROUP RIDES MEET AT 10AM @ the PAVILION

Is your Helmet strapped?

Are you roaming the campground roads or even the trails without your helmet strapped? Be safe & please always make sure yours is!

THOUGHTS ON THE TRAIL...

By the time you roll onto the trail and crack the throttle, the rest of the world fades fast. Out here, riders trade pavement for peace and get front row seats to the wild side of Pennsylvania — deer slipping through the trees, birds cutting across the sky, and all the quiet corners of the forest that most people never get to see.

Rausch Creek offers dozens of trails for every kind of rider. Want something easy and open while you warm up? We've got it. Ready to test your skills on tight, rocky, technical terrain? We've got plenty of that too. Whether you're exploring for fun or chasing a challenge, there's a trail that fits your style.

For a lot of off roaders, trail riding is more than just the route to the main attraction; it is the attraction. It's fast, it's scenic, and it's a chance to experience the outdoors in a way only riders can. A little preparation goes a long way: respecting the land and the people around you, carrying the right gear, and knowing your route before you head out.

That's why the RCTR crew is such a game changer. Our staff isn't just here to hand out maps, they know these trails, this land, and this community inside and out. Whether you need a quick trail refresher, a snack to keep you going, a part to get you back on the move, or one of those last minute "I forgot this at home" essentials, our little shack in the woods is stocked because they keep it that way.
