What time is it....

Time to Ride!! Before you head out, make sure to check some basics:

1. Sign in—A MUST —Provide all info including your license plate not just that your from a certain state.
2. Stickers? - Make sure your sticker is up to date on your helmet.
3. Plenty of gas? -Make sure your gas tank is topped off before you head out for a ride.
4. Cell Phone - You should always carry a cell phone with you and have the office number programmed (570)682-1075...the #'s also on your helmet sticker. Please don't hesitate to give us a call if you are lost, stuck or hurt. Our emergency line is set up to reach the

operations crew immediately even if the office is closed. Please leave all the information you can on the message or with the office crew (if the office is open) and someone will return your call within a couple of minutes and send the appropriate assistance.

5. Got ALL your gear? - Helmet, goggles, chest protector, gloves, boots, knee pads, elbow pads, camelback.

6. Tools? - Most riders can carry basic tools to repair a flat tire or other minor repair on the trail.

7. Riding partner? - It's never a good idea to ride alone. Always try to have a riding partner.

You've been cooped up all winter...why not start the season off on positive note and be prepared?

OFFICE CLOSED FOR

*On Sunday, April 21st, the office will be **CLOSED** due to the Easter holiday—the trails will be open to members only. The office will reopen on the 22nd with normal business hours.*
