

Merrily Merrily Re-Marking Trails

Nick has been busy marking Trail 2 this week.

Gap Street Bridge Replacement

Did you know the only bridge leading into town from Rausch Creek (the Gap Street bridge) has had plans to be replaced since last year? It's ok if you didn't, that's why I'm here to tell you and keep you informed that we've got an official date. Construction for the replacement bridge will officially begin June 18th.

Don't fret though, there is another route into town. Broad Street will be the designated detour route for cars and trucks. The detour is expected to be completed in approximately a year.

Office Hours Change

WE ARE NOW OPEN AN HOUR LATER!

SUMMER STORE HOURS

New Hours After Memorial Day...

Monday—Thursday 9am—4pm

Friday—Saturday 8am—6pm

Sunday 8am—5pm

NEED THE LOCKBOX COMBINATION FOR THE GATES?

VISIT/JOIN THE RC FORUM TO GET THE UPDATED CODE

◆ ALL GUESTS

*Riding or not everyone must be signed in upon arrival! The guest waiver is on the outside of the office wall 24/7.

*This does not exclude members. Members must sign in every visit.

Tip of the Day! Local To Do's

Strawberry-Banana S'Mores

What You Need

- 9 Honey Grahams, broken in half (18 squares), divided
- 2 milk chocolate bars (1.55 oz. each), broken into squares
- 9 Marshmallows cut in 1/2
- 5 large fresh strawberries, sliced
- 1 banana, sliced
- 1/4 cup strawberry jam

Make It

HEAT grill to medium-low heat. PLACE 9 graham squares on bottom of 9-inch square disposable foil pan; top with chocolate, marshmallows, berries and bananas. SPREAD remaining grahams with jam; place, jam-sides down, over grahams in pan to make 9 s'mores. GRILL 4 to 6 min. or until marshmallows are puffed and chocolate is melted. Cool 5 min. before serving.

Every Friday afternoon & evening, Crossroads Farmer's Market is open on Route 25 between Gratz & Berrysburg.

November 17th Turkey Feast

Trails

“Working Land Where Riders Play”...is our slogan and for good reason. Rausch Creek Powersports is a wholly-owned subsidiary of Rausch Creek Land, L.P. formed to manage all dirt bike, ATV and UTV riding so that it fits in with all the industrial activities on our vast property holdings. There are many different “activities” being operated on property. Signage for where trailriders is permitted is very important to pay attention too. Trail boundaries, Open Pit Mining, Quarry, Haul Roads, Farming are just a few signs you will come across while riding. It's a very crucial part of working in congruency with everyone on property and we are so thankful that most of our members are courteous to this

but there are still some members who don't pay much mind and continue through fields that are just being planted and many other places that are not permitted. Thank you for paying more attention and if you have any questions, the office always has an open door during business hours.

Speaking of trails, we've had a few complaints about members not being respectful of others on trail. Always, pass with care and slow down around bends to allow enough space just in case another member is coming the other way.
