begin to fade. Webster's dictionary defines patriotism as "love for and zealous support of one's own country," and that's something that should persist regardless of our circumstances.

This is one of the BUSIEST holidays of the year, so please be on your best behavior and pay particular attention to the 5 mph speed limit throughout the campground.

Take a minute to remember the basics:

- ◆ There will be an Operations official patrolling the campground throughout the day/night so feel free to flag them down if needed.
- ◆ Sign your guests in as soon as possible EVEN if they are non-riders, they must sign in! The sign in sheet is outside of the office 24/7.
- ◆ Don't forget to use the emergency line if there is an urgent situation...call 570.682.1075 and leave a message, someone will get back to you, soon after calling.
- ◆ Keep that helmet on and strapped during any riding activity, this includes unloading your bike or quad.
- ◆ Don't ride on Township Road or through a member's campsites.

Summer! Summer! Summer! Glorious, exalted, long-awaited summer! How I've missed you! Although I readily admit each season has its charms, summer is definitely my favorite! I know it won't officially be SUMMER for another couple of weeks but this week sure did feel like it.

Memorial Day has come to be known as the kick-off to the summer season, a day away from work and school, one filled with cook-offs, concerts, and festivals. However as we all know, Memorial Day was created for a more solemn purpose. It's about patriotism, a celebration of the sacrifice men and women have made since the founding of this nation to give us the freedoms we enjoy today. Patriotism is a word that isn't used much today, as the yellow ribbons on our cars

Memorial Day Poker Run

There will be poker faces galore. Join us at the pavilion between 11am & 12:30pm to pick up your poker run map. 5 check points have been selected to find on the trail and at each one, members will choose a random card. Scoring will be done back at the pavilion; best hand wins a free 2022 membership. Anyone participating must return by 3pm to get scored and be in the running for the top prize. Best Hand 1st, 2nd, & 3rd Places AND even Worst Hand will get a prize. There will also be a 50/50 Raffle to go towards the Hegins Food Bank donation at the end of the year.

TIP OF THE DAY

Campfire Baked Apples

—Apples: 1 per camper (or 2 if you've got big eaters!) —Butter —Optional filling: dried fruit, caramel dip, walnuts, pecans, Craisins, brown sugar, cinnamon, crumbled shortbread cookies
Spray a sheet of aluminum foil about 8 inches long with cooking spray, or brush with a bit of softened butter. Core the apples and fill the centers with your filling. Place a dollop of butter on filling and cover with the aluminum foil. Put these apples on a cooking grate over the fire or near hot embers if you don't have a grate. Do not put the apples directly in the fire! Let the apples roast for 20-30 minutes. Carefully open the foil and let cool for a bit before diving into this yummy dessert.
