PUMP HOUSE

The winter weather chill is usually here but it's NOT.... The pump house will remain open until the weather starts to chill for real.

TIP OF THE DAY

Bulb Labels

Once flowers fade and bulbs and tubers are dug up for winter storage, they pretty much all look alike. To ensure that you'll replant them in the right location next spring, write the variety or color of the plant directly on each bulb with a permanent marker. Then store the bulbs in peat moss or newspaper in a cool, dark place.

About 90 little goblins trick or treated through the campground last Saturday and boy did they come out with a boat load of candy.
